

Technical drawing of a reinforced concrete slab (Figure 10.10). The drawing shows a rectangular slab with dimensions 21.6m by 18.0m. It includes a grid of reinforcement bars with callouts 1, 2, 3, and 4. Callout 1 points to the top longitudinal bars, 2 to the bottom longitudinal bars, 3 to the top transverse bars, and 4 to the bottom transverse bars. Dimensions are given in meters (m) and centimeters (cm). The slab is supported by a central column and four corner columns. The drawing also shows the spacing of the bars and the overall dimensions of the slab.
